To: D.L. Snowden, Chief of Police

Subj: LETTER OF APPRECIATION

1. Chief Snowden, the MI Det enjoyed the participation of Officer Jim Wagner during our May 1994 drill period. Officer Wagner was a valuable asset as a visitor to our unit. During a live fire exercise utilizing 81mm and 60mm mortars, M60 and M16 weapons, he shared his background in special weapons and tactics to members of the 19th Special Forces soldiers. His can-do attitude allowed instant repertoire to be established with our teams and he would be a welcome guest should he return to train with our troops.

2. During a follow-on airborne exercise, Officer Wagner's experience in heliborne operations proved helpful in maintaining current safety operating procedure. You have a valuable man as I am sure you are aware. Please contact me in the future if the MI Det of the 1st Battalion, 19th Special Forces can assist you in any way.
