Learn the original reality-based system sweeping the world JIM WAGNER REALITY-BASED PERSONAL PROTECTION™

Learn directly from the man who started the "reality-based" movement, and the system that is starting to dominate the martial arts world. These courses are designed to not only teach you step-by-step the same techniques used by police and military units worldwide, but if you successfully complete all five of these courses you will be instructor certified and able to teach this system immediately. You will get to use the Reality-Based logo with your own name on it and be on the website.

DEFENSIVE TACTICS MONDAY, JAN 21

Everything you need to know about striking, blocking, conflict stances and movement is taught to you in this 8 hour course. In a real conflict you will rely on only a few techniques, the rest is all mental. We'll show you both - and more.

GROUND SURVIVAL TUESDAY, JAN 22

This course is anything but sport-based - it's tactical. We'll teach you how to hit the deck when bullets fly, subject takedowns, tackle defence, ground conflict positions, striking and weapons use from the ground, and recovery methods.

KNIFE SURVIVAL WEDNESDAY, JAN 23

You'll learn the JIM WAGNER DISARM RULE which has been taught to hundreds of elite units worldwide, as well as the 10 angles of attack, the 8 primary blocks, criminal and terrorist techniques, and dozens of conflict exercises.

CRIME SURVIVAL THURSDAY, JAN 24

All your self-defence skills come together in this course where you will learn, step-by-step, how to survive modern conflicts: muggings, armed robbery, gang violence, carjacking, caustic chemical attacks, police contact and courtroom survival.

TERRORISM SURVIVAL FRIDAY, JAN 25

How many self-defence instructors are qualified to teach this subject? Very few. Jim Wagner was a bona fide counterterrorist for the U.S. Government after 9/11. In this hands-on course you'll learn to survive the most likely terrorist scenarios.

EACH COURSE ONLY in Canadian dollars
\$250

You must complete all five courses to become a Level 1 Instructor, a total cost of \$1,250. However, you do not have to take them all in this one week. Finish the courses you don't take at a future seminar. For those who just want to learn self-defence, and have no desire to teach, you can still sign up for any of these courses.
